British Army Careers

PAY & BENEFITS

REGULAR

Earn £14,931 during training. When your Phase 1 training is finished, and you join your unit as a Private, your pay will rise to £18,488 + meals, accommodation, health and travel benefits.

RESERVE (eg while you're looking for other full-time work)

You'll get paid a day rate according to your rank, starting from £37.47 in training and rising to £46.42 per day once you're a Private. This includes being paid for weekly drill nights. Plus, if you complete all of your annual training days, you're entitled to a tax-free lump sum called a bounty.

Priority roles

Our priority roles have training spaces available. This means that if you choose one of these 12 roles, and have passed assessment, you could start your training sooner.

REGULAR ENTRY REQUIREMENTS

Age: 16 years 6 months to 32 years 11 months

RESERVE ENTRY REQUIREMENTS

Age: up to 49 years 11 months
